

Town of Corning Monthly Report For March 2022

Serviced All Vehicles That Needed Servicing:

Continued Cleaning Up Out Back of Stuff & Junk That Has Accumulated for Years:

Hauled More Scrap to Swarthout's Recycling and Received 2 Checks That Were Made Out to The Town and Gave Them to Supervisor.:

Built A Road Out Back Leading to Our Gravel Piles by The Sewar Plant to Save Us from Going Down River Road to Sewar Plant Entrance. Now We Can Go Directly to Gravel Piles Straight Out Back Without Going on Roads, And Much Shorter Trip Each Time Gravel Is Needed.:

Cleaned Up Brush and Fallen Tree Limbs Along All Town Roads, And Trimmed Tree Limbs Protruding into Roadway & Overhead of Roads.

Paid All Bills That Had to Be Paid.

Hauled 3 Loads of Trash to Steuben County Landfill in Bath from Out Back of Shop:

Checked All Roads for Potholes & Filled with Cold Patch Blacktop:

Took all equipment out of the cold storage bays at garage, cleaned garages completely and serviced equipment to be ready for spring and summer work that needs to be done and put all equipment back into bays:
