

Water / Building & Grounds Report
Jan 2023

Worked on mapping.

Took generator to cumming after something chewed
on wires and shorted out

Sold 1 grave and did an 2 interment

Helped highway plow

Fixed bottom of main entrance door

Changed oil in generator

Helped highway with drain cleaning

For discussion

We have to repair roof on water shop I would like to
put steel on I have a quote for steel from be martin
of 4,661.53 price may change +/- some due to steel
cost

1,200 for 2X4's from CBC or Home Depot
Total cost of 6,000 and would start it asap
