

## Town Of Corning Highway Report

February 2023

- 1-Welded & Repaired Buildings and Grounds Sewer Pumper that was broken;
- 2-Cold patched all pot holes in Gibson and East Corning area;
- 3-Cold patched pot holes in Riverside area;
- 4-Replaced stolen Stop Sign at Calvin Smith School;
- 5-Repaired all trucks that broke down during ice & snow storm;
- 6-Salted & Plowed several ice and snow storms that kept us busy during month;
- 7-Received another 300 Tons of road salt;
- 8-Replaced rotted floor in T-5 with new steel;
- 9-Did annual tire changeover on all trucks, our normal supplier Parmenter Tire of Elmira came in with their quote quite high. I have gotten a separate quote from McCarthy tire in Horseheads and decided to go with their quote as it saved the town \$7,600.00 for the same quality of tires.
- 10-Replaced Lee-boy tires getting ready for black topping and shoulder repairs on roads;
- 11-Hauled crusher run stone to Shane roads turning into mud, stiffened road up for safer traveling;
- 12-Hauled stone up to lower Pace road and graded off;
- 13-Hauled stone to upper Bailey Creek all mud dumped stone and graded;
